

Art and Design

They can read the A Level specification:

<http://www.ocr.org.uk/Images/170210-specification-accredited-a-level-gce-art-and-design-h600-h606.pdf>

Visit the Student Art Guide website:

<http://www.studentartguide.com/>

An amazing, inspirational website. Look at the articles, resources and student work.

Practically: Drawing, Painting and Photography

Continue to practise your drawing skills. For example pencil studies, colour studies, working with a biro.

Practise your painting skills. For example colour mixing and application.

Photography skills – taking pictures of objects, people, still life. This a primary way of recording your ideas.

Visit galleries to extend knowledge of artists and techniques:

Local: Potteries Museum and Art Gallery - free
Wedgwood Museum

Manchester:

Manchester Art Gallery
Whitworth Art Gallery

National:
